

# Linkable Tile™

*Comfort Flow,  
Comfort Scrape,  
Cushion Station  
and HogHeaven*

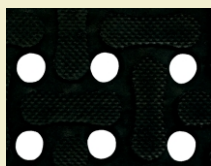

- Linkable Tiles can be combined to fit any workstation in 18" or 36" increments.
- All of the tiles are lightweight and flexible for easy handling.
- Comfort Flow and HogHeaven Tiles are available with a grit-top surface that uses aggressive silicon carbide for added anti-slip properties.

Indoor | Anti-Fatigue
