

Action Mats™

Washing Instructions

Action Mats are constructed with a cotton/synthetic blend yarn in a black and white tweed color and backed with 100% nitrile rubber for superior grease and oil resistance.

- Proper laundering will prolong the life of rental mats by preventing the buildup of soil and soap residue.
- Depending upon type and quantity of soil, it may be necessary to adjust the formula shown below to increase break time, temperature and number of rinses to achieve desired results.
